From The Secy to the Hon'ble the Resident F. 59-41/W refers a 27th Jan. 41 forwarding a copy of letter from the Defence Deptt and requesting to furnish the information required in Para. 3.

The Exhibition Train can run only on broad-gauge lines as in the case of Mysore the line is only from Bowringpet to Bangalore. Para 3 requests information viz. the list of Stations that the train should stop and the length of time that the train should halt and also the most convenient time for the Train to tour this State. The train is expected to start from Delhi in October. Since even the Bangalore-Bowringpet line is not under the control of the M.S. Ry. it is for orders as to the reply to be sent. The Ry Secretary may perhaps be consulted. The train can stop at Bowringpet and Bangalore perhaps in this State. Awaiting for further orders.

Sir,

The undersigned is directed to state that as the war develops, there may progressively arise a need for reinforcing the officer cadre of the Supply Department with the type of official who has received technical training or has technical knowledge allied with experience of Government and Secretariat work. Such officers would generally be required for work in the headquarter officers of the Supply Department, but a few appointments may later be at the main centres of Industry in India, i.e. Calcutta, Cawnpore, Bombay, etc.

2. It would appear that one of the sources from which such officers might be drawn is the Directorates of Industries of the Provincial Governments and the undersigned is directed to enquire whether your Government would be prepared to spare any such officers for service in the Supply Department. Such officials should have about 10 years' experience or more. If your Government are able to assist in this matter, it is requested that the following details may please be furnished in respect of the names of those your Government can spare for the service indicated and are prepared to recommend :-

(a) Name.

Dear Sir,

Refce.- Your letter No.2333/W. dated 6th Apr.1942.

Subject:- Recruitment of officers for the Department of Supply - Mr. A.M. Dyas, Assistant-Superintendent, Central Industrial Workshop

---

Just a line to confirm the telephonic conversation I had with you about the extra remuneration that is to be paid by the Supply Department to Mr. A.M. Dyas. He has stated that if, in addition to his being permitted to retain the lien on his appointment in the Mysore Govt. Service, he is not paid extra remuneration, he is not prepared to accept the present appointment offered to him. I may state in this connection that when he offered his services to the Supply Department, he had made a stipulation about this.

I shall be obliged for an early reply. I have made arrangements to relieve him, as soon as I hear from you.

Yours sincerely,
